2013 ASET ANNUAL CONFERENCE ABSTRACT FORM

Deadline of March 15, 2013
[Submit to the ASET Education Office]

ASET - The Neurodiagnostic Society is a non-profit corporation which seeks to advance the science and technical standards of Neurodiagnostics, to encourage the development and maintenance of high technical and ethical standards of Neurodiagnostic technologists, and to foster and facilitate acceptable methods for the study and exchange of information and ideas. The presentation of abstracts is not a platform to promote products or services for financial gain. Abstracts shall only be accepted when the material is original in content and organization and when no commercial products or services are promoted in the presentation. The program chair reserves the right to request the entire manuscript for review before acceptance.

Please read all instructions before completing this form and abstract. The Abstract Form can also be downloaded at visit www.aset.org
