Welcome to the Central Society of Electroneurodiagnostic Technologists Annual Meeting to be held in Bloomington, Minnesota, April 15-16, at the Crowne Plaza. CSET offers reduced rates to all active members.

Bloomington, Minnesota is home to the Mall of America and most major Minneapolis and St. Paul attractions. The Mall of America features 520 stores, 50 restaurants, including the nation’s largest indoor amusement park. For more information visit www.mallofamerica.com.

This is your opportunity to convene with other professionals for camaraderie and to strengthen your knowledge in the challenging and rewarding fields of END and polysomnography.

Again this year we are offering two days of three courses each day with a variety of basic and advanced topics. These courses will fulfill continuing education credits.

Please review the brochure to register for the educational and informational courses in the END and Polysomnography fields.

Visit www.bloomingtonmn.org if interested in local events during your stay in Bloomington.

Hope to see you in Bloomington, Minnesota
