Member Application for Dues Waiver

Under the Society's disaster recovery program, ASET members in good standing may apply for a waiver of dues for the member year immediately following the year in which the member was affected by a disaster. In order to qualify for a dues waiver, both conditions of (a) what constitutes a disaster, and (b) what constitutes a member being affected by a disaster, as outlined in the program must be met. To request a dues waiver, complete this application and return to the ASET Executive Office. All applications for dues waivers under the disaster recovery program are subject to review and approval of the ASET Board of Trustees.
