MARKETING OPPORTUNITIES
FOR NEURODIAGNOSTIC INDUSTRY PARTNERS
ABOUT ASET - THE NEURODIAGNOSTIC SOCIETY

ASET – The Neurodiagnostic Society is the largest national professional association in the world for individuals involved in the study and recording of electrical activity of the brain and nervous system.

Members include technologists, researchers, educators, managers, students, physicians and institutions involved in EEG, evoked potentials, polysomnography, nerve conduction studies, long term monitoring, intraoperative neuromonitoring and related neurodiagnostic testing. As a membership organization, ASET advances the field of Neurodiagnostics by:

• serving member needs
• defining and endorsing standards of practice
• providing innovative educational opportunities
• promoting the profession
• building coalitions with other allied health organizations and communities of interest

ASET is a volunteer, not-for-profit entity organized under section 501(c) 6 of the IRS code. It was incorporated in 1959 in the state of Alabama and maintains headquarters in Kansas City, MO. The Society governance structure includes a policy-making Board of Trustees, committees and task forces common to most professional societies.

ASET is committed to working with other allied health organizations and supporting their efforts, such as the Health Professions Network, Committee on Accreditation for Education in Neurodiagnostic Technology (CoA-NDT), Commission on Accreditation of Allied Health Education Programs (CAAHEP), National Network of Two Year Colleges, credentialing organizations and other affiliated professional organizations representing the allied health profession.

MISSION STATEMENT
ASET – The Neurodiagnostic Society provides leadership, advocacy and resources that promote professional excellence and quality patient care in neurodiagnostics. As a membership organization, ASET advances the field by serving member needs; defining and endorsing standards of practice; providing innovative educational opportunities; promoting the profession; and building coalitions in allied health and other communities of interest.

The Neurodiagnostic Journal is the official journal of ASET - The Neurodiagnostic Society. It is a vehicle for sharing best practices, the latest research and creating a standard of care for the neurodiagnostic professional. It also contains book reviews and case studies, in addition to quizzes for ASET-CEUs.

FAST FACTS

The Neurodiagnostic Journal has been consistently named as one of the main reasons that technologists join ASET. Advertising in the journal ensures that you will reach your target audience of neurodiagnostic technologists. The Neurodiagnostic Journal is an Index Medicus listed journal that appears on PubMed.

- The official technical publication of ASET.
- The journal is curculated quarterly with issues published in March, June, September and December.
- Distributed to over 6,000 neurodiagnostic technologists, MDs, PhDs, hospitals, clinics, and medical libraries all over the world.
- Editorial content covers all aspects of neurodiagnostic technology including, EEG, evoked potentials, intraoperative neuromonitoring, long term monitoring, nerve conduction studies, and polysomnography/sleep.
- The journal also contains media reviews, listings of newly credentialed technologists and accredited laboratories, and the ASET annual conference proceedings.

ONLINE ADVERTISING

ASET’s website, www.aset.org, is the number one online resource for Neurodiagnostic technologists worldwide, providing education, products, and services in the field of Neurodiagnostic technology. What better place to promote your message and provide a link to your website? Provide ASET with your company logo and/or slogan, and website address, then just sit back and watch the hits come in.

POSITION 1

A prominent banner ad on the ASET homepage is the best location to promote your company to Neurodiagnostic professionals.
- Logo placement with hyperlink

FULL BANNER

Reach your target audience from one of our most trafficked web pages by placing an ad on the internal page of your choice.
- Full logo, promotions or testimonial ads welcome
- Top or bottom ad placement options

TILE/LEFT BANNER

Stand out from the crowd with a nice tile ad on an internal page of your choice.
- Full logo, promotions or testimonial ads welcome
- Left navigation ad placement

BROADCAST EMAILS

ASET distributes approximately 15-20 broadcast emails per year, each with a distribution of more than 18,000 email addresses of ASET members and non-members alike. Content is primarily ASET news and updates on educational offerings, deadlines, calls for action, society news, and other important information. Yearly and quarterly sponsorship of ASET broadcast email messages are available.
- Full logo, promotions or testimonial ads welcome
- Change the link at anytime, for no additional cost

WEBINAR EMAILS

Each year ASET hosts a series of Live Webinars. Sponsorship of the webinar announcement emails are available. Webinars are held the third Wednesday of the month, January – May, and September – November. Two to three emails are distributed each month to a distribution list of over 18,000 email addresses.
- Full logo, promotions or testimonial ads welcome
- Change the link at anytime, for no additional cost

*Ad specifications and rates on page 8
The ASET website software was recently updated to include campaign statistics in our broadcast and webinar emails. For each email distributed, we can view the number of emails sent, opened, number of click-throughs and unsubscribes.
FACE-TO-FACE ADVERTISING

What is better than face-to-face interaction? Meet and greet your current or future customers at ASET’s Annual Conference and establish that lifelong customer connection. The ASET Annual Conference is the largest educational opportunity and networking even in the world for Neurodiagnostic professionals and industry partners. In addition to showcasing your products in the exhibit hall, there are a number of sponsorship opportunities.

EXHIBIT

The 2018 ASET Annual Conference will be held at the Hyatt Regency New Orleans, August 16-18, 2018. Complete with dozens of education seminars, poster presentations, high-level plenary session speakers, specialty symposia, and diverse opportunities for networking, this annual event is a must for all ND professionals.

Exhibit space is reserved by completing the contract and returning it to the ASET Executive Office. Space is available on a first-come, first-serve basis.

DIRECT MAIL - LABEL LEASE PROGRAM

Purchase an ASET mailing list to announce employment or educational opportunities, new products or other services relating to the profession. Convenient, affordable and directly to your target audience. Email distribution list options are also available.

Prices vary, contact your InFocus representative or visit www.infocuslists.com for more information.

CAREER CENTER

When it comes to making career connections in the neurodiagnostic industry, the mass market approach of mega job boards may not be the best way to find the candidates you need. The ASET Career Center gives employers and job seeking professionals a better way to find each other and make that perfect fit.

ASET has launched a strategic partnership with the National Healthcare Career Network (NHCN), by linking to the job boards of more than 290 leading healthcare associations and professional organizations. Created to address the critical shortage of U.S. healthcare workers, the NHCN initiative allows employers and job seekers to have access to an expanded network of neurodiagnostic jobs and candidates across the nation.

Prices vary, visit www.aset.org/careercenter for more information.

ASET FOUNDATION

The ASET Foundation supports educational initiatives, programs and special projects designed to advance and support excellence in quality patient care by providing resources to Neurodiagnostic professionals to enhance their knowledge, understanding and skills in the field. The ASET Foundation seeks broadly based financial support from professional, public, private and corporate sources to fund programs and initiatives related to scholarships and other educational opportunities.

• Become a Brain Trust member and pledge to donate $2,500 over the next 5 years.
• General donations to the ASET Foundation will make a difference in our ability to expand educational and scholarship opportunities and to support special projects or activities for the profession.
• Named scholarship sponsorships available (contact Arlen Reimnitz for more information).

Consider supporting the Foundation with a general donation or sponsoring a scholarship in your company’s name.

For more information contact Arlen Reimnitz, Executive Director at 816.931.1120 (101) or arlen@aset.org.
