How to Access Journal Articles

Printed journal issues are mailed via USPS to members each quarter. Members can also freely view journal articles online by following these steps (for non-member access, see note below),

1. Visit <u>https://www.aset.org</u>, click on Education, click on The Neurodiagnostic Journal.

Navigating the Online Journal: Once redirected to the journal's website, use the "Browse all articles & issues" dropdown menu located under the "Explore" header to find the journal volume and issue of interest. Articles are viewable as an EPUB or downloadable in Adobe pdf format.

Non-member Journal Access: Non-members can browse artic le titles and will have limited access to some article abstracts but accessing full-length articles or journal issues <u>requires purchase</u> through the publisher, Taylor & Francis.

ASET-CEU credits: CEU credits are earned by completing and passing the quizzes. Individual course requirements and pass rates are indicated in each course. Only quizzes from the most recent 3 years (based on a rolling calendar) are eligible to complete and earn CEU credit.

CEU Transcripts: You'll need to log out then log back in to trigger the course completion and update your transcript with newly earned CEUs. Members can access transcripts from their profile page by clicking on the "Transcript Link" tab and following the prompts to download the file (PDF format). Non-Members can obtain a copy of their transcript by visiting the ASET Online store here or paste this link in the browser of choice https://portal.aset.org/aset-store?cat=transcript.

Enrollment duration lasts for 1 year from date of purchase. *Important-Courses, webinars and journal quizzes can only be taken one time for CEU credit. Repeating the same course, webinar or journal quiz will not result in additional credits.
