ASET CHAPTER DUES (optional; check one box based on date joined)

Chapters are local, state or regional neurodiagnostic organizations that have been officially chartered by ASET. They provide member information, continuing education and timely communication, allowing you the opportunity to stay informed of ever-changing developments in the profession in your region. Joining one or more chapters is optional. One hundred percent of chapter dues collected by ASET are rebated quarterly to the applicable chapters. More information can be found at www.aset.org/chapterlisting.
