Incorporated Village of Hempstead

Hempstead New York

Proclamation

NEURODIAGNOSTIC WEEK

Whereas, Neurodiagnostic Technologists help to diagnose disorders of the brain, such as epilepsy; They also contribute to treatment by monitoring brain and peripheral nerves during surgery for scoliosis, brain tumors and other orthopedic interventions; and

WHEREAS, Neurodiagnostic Week is that time of the year when we honor and celebrate the contributions of neurodiagnostic professionals; it is celebrated annually during the third full week of April; and

WHEREAS, Neurodiagnostic week is designed to demonstrate pride in the profession and in the individual accomplishments of neurodiagnostic technologists throughout the nation. It is also an excellent opportunity to educate others, recruit new students into the profession and to promote awareness in the community.

WHEREAS, Neurodiagnostic week points out the many ways in which Neurodiagnostic professionals work to ensure the health of all Americans through advocacy, education and research; and

WHEREAS, during Neurodiagnostic week, hospitals, schools, and other institutions acknowledge the year-round efforts of neurodiagnostic technologists. In addition, many Neurodiagnostic departments organize creative and innovative activities in their communities to educate and excite people of all ages about the profession by holding open houses, sponsoring special activities for the public and hospital staff, and performing community events.

WHEREAS, Neurodiagnostic Week offers technologists and educators the opportunity to join forces and focus on a specific message while promoting the profession in a way that individuals seldom can.

NOW, THEREFORE, I, Waylyn Hobbs Jr., Mayor, of The Village of Hempstead, do hereby declare and celebrate Neurodiagnostic Week, April 14-20, 2024

Waylyn Hobbs, Jr., Mayor
